May 3, 2011**300 Books and Healing Messages booklets received by the Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins**

Our books and Healing Messages booklets will be given as gifts to the guests at the Hackerman Patz Pavilion. The Pavilion provides short and long-term housing options for cancer patients and their caregivers. The Pavilion is located across the street from the hospital and offers an affordable, home-like, welcoming atmosphere. It's a wonderful alternative to hotel living when traveling to receive treatments.
