

**LHHF gift packages received by Sibley Memorial Infusion Center patients**

Thanks to Patricia DiZebba RN and her kind assistance our gift packages are now reaching many more Infusion Center patients.

The gift packages are also now being distributed through Lisa Hawkins RN, Nurse Manager at Sibley Hospital, to their Hospice patients and families.

*"The poetry brings sunshine to my day, fills my heart with warmth, I started my day with sadness dealing with my illness but now I feel so much better. The book is the best medicine!"*

**A first delivery of gift packages has been made to the GW Katzen Cancer Center, our fourth major hospital partnership**

The Katzen Cancer Research Center brings the most up-to-date technology and treatment options to patients being served by the GW Medical Center. It also offers patients more convenience in scheduling and receiving their cancer treatment. The Center features an "inspired by nature" organic design to create a calming, healing environment for patients receiving treatment.

**Our gift packages were donated to the Washington Home through the kind efforts of Advisory Board member Didi Cutler**

*"Your messages of hope and grace are lovely examples of your dedication to help others."*
