HEAL MAGAZINE

"Caregiving may not come with a thank you, or rest, or the outcome we envision, but somehow we do it to the best of our ability..."

I want to personally thank each and every Caregiver who has unselfishly taken care of anyone, anyplace, or anything without expecting anything in return."

~ Rhayne Thomas, Editor, HEAL Magazine

BRINGING HOPE WITH HEALING COURAGE

"The readings in the book were most inspirational and gave me feelings of peace, and belief that God is with me in my journey to conquer my cancer."

~ Joyce, Minister; Patient at Johns Hopkins/Sibley (right)

"Thank you for the beautiful books. I shared them with the local hospice and the bereavement counselor said, 'They are wonderful, needed, and well received by patients and families.' Again, gratitude and appreciation for your messages of hope, healing, and love which provide moments of creative reflection and inspiration."

~ Alice V. Thompson, Spiritual Care Director, Calvert Memorial Hospital

"I have been giving out these beautiful books for two years. My clients love them!"

~ Elisabeth Marcelin, Bereavement Coordinator, Heartland Hospice
